Vision Objectives

In delivering on that Vision the following objectives are established:

1. To create a new, vibrant 'urban village' in Stoneygate combining existing and new, high quality, bespoke, development.
2. To work with the existing community and other partners to ensure that the benefits of regeneration are widely felt.
3. To safeguard those parts of the existing built environment that contribute to the character, heritage and distinctiveness of the area and can contribute to its future.
4. To create an environment that places an emphasis on the safety and utility of streets and routes for pedestrians and cyclists.
5. To reduce the dominance of traffic, whilst maintaining appropriate vehicle access and movement.
6. To support the growth and continued success of Cardinal Newman College.
7. To support the significant improvement of the environment.
8. To improve the quality and quantity of homes in the area for new and existing residents.
9. To use high quality, sustainable design to drive regeneration.
10. To focus public sector activity and investment to unlock the potential of Stoneygate.
